The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively to the following effect, or Orders made on them respectively as follows:

Letter from James A. No. 26331/1859, dated 27th Nov^r. 1859, referring to a Resolution of the Board on the 24th Nov^r. 1859, directing the Master to procure a suit of new clothes for an inmate named Martin Fisher, in order to enable him to emigrate to America, and stating that as the clothes are given in the case as assistance to emigrate, the cost will be chargeable to the Division to which the Inmate was chargeable, on consent to the expenditure being issued, also enclosing therewith a descriptive List of the particulars of the case, to be filled up by the Clerk and returned to the Commission Office.

Resolved that the Clerk of the Union be paid a sum of Ten pounds as a remuneration for his duties under the Parliamentary Vote, Act of the present Year; and that the Poor Law Commissioners be requested to sanction the proposed payment,

In pursuance of Section 4 of Act 17 Vic Cap 8, the Clerk of the Union, laid before the Board of Guardians a List of all Payments and Property requiring Revision, as mentioned in the Lists delivered to him by the Poor Rate Collectors, and Rate-payers of the Union, upon which it was Resolved, that in the opinion of this Board, a Revision of the Valuation is necessary on account of the changes and alterations set forth in the List submitted by the Clerk, it was also Resolved that it be stated for the information of the Commissioners of Valuation, that the next rate will probably be struck in August 1860, and that it would be most desirable to have the Revision completed by the first of June, 1860. It was further Resolved, that the Commissioners be advised to be informed that as the Poor Rate Collectors were not appointed on the 20th of October, last, and did not receive their Warrants until the 25th ult^o, the Lists furnished by them were very incomplete, as they have not had sufficient time to ascertain with any degree of accuracy, the particulars of the cases requiring Revision; the Board will however call upon the Collectors to furnish or complete the Lists of all Valuations requiring Revision in their respective Districts, and will cause such Lists ready or not after that date, to be handed same to the person who may be appointed to make the Revision.

The Clerk is directed to have notice of the foregoing Resolutions in circulation and to

Gentleman,

To the Board of Guardians

Ballinacree Workhouse,

9
Letter from Same No. 28-1860, dated 11th January 1860, forwarding therewith, a copy of a Letter which they have received from the Reverend Thos. Hardiman, Roman Catholic Chaplain, in which he claims some augmentation of his salary, and stating, that although a reduction was made in the Salary on the re-appointment of Mr. Hardiman in May 1858, in compliance with the wishes of the Board of Guardians, yet further consideration of the subject, in reference especially to the facts submitted by Mr. Hardiman, appears to justify a return to the former salary of £50. — and requesting to be furnished with the present views of the Board of Guardians on the subject.

Circular Letter from Same No. 7-11/60 — dated 19th January 1860, addressed to the ^{Miscellaneous} Returning Officer, containing instructions for that Officer as to his duties at the approaching Annual Election of Guardians,

In pursuance of the Act 10 Geo. 4, cap. 21, Section 1. it is Ordered, that Out-door Relief in 1860, to the amount of 250 per week, be granted to a destitute poor person named Bridget M^{rs}. Gault, chargeable to the Ballinacree Electoral Division, — being disabled from labour in consequence of old age, and it is Resolved, that the Board do hereby request, that Sir Henry Charles Fox, Bart. Inspector General of Constabulary, will be pleased to use his influence with the "Irish" Commissioners of the "Magazine" in order that 250 per week be deducted from the pension of the said destitute poor person John M^{rs}. Gault, late of the 1st Co. Buffs. Force, and paid over to the credit of the Ballinacree Union, as long as her wife shall continue to be in relief,

John M^{rs}. Gault, was admitted on the 1st of September 1860, with a view to relief,

County of Mayo, under the command of
James G. O'Connell Esq. County Inspector,
on a Pension of Seventeen pounds per
Annum, — He at present resides in Toronto
in British America, and receives his Pension
from the Comptroler's Department in that
City,

The case of Bridget M^{rs} Grath, is one
of peculiar hardship, — Her Husband deserted
her one year after her marriage, which took
place in the year 1850, and since then, he
has not in any way contributed towards her
support, — She is a woman of unexcep-
-tional character, and has, in a most praiseworthy
manner, endeavored to earn a livelihood by her
industry, until at length, she became so debilitated
from the effects of a Venereal disease com-
-municated to her by her Husband immediately after
her marriage, as to be unable to pursue her
-ordinary avocation as a sempstress,

The cases of provisional relief, and applications for relief were considered and decided on, as set
forth in the Application and Report Books.

The number of provisional admissions to the Workhouse confirmed was . . . 6

Ditto disallowed . . . nil

The number of applicants admitted to the Workhouse was . . . 4

with his Report thereon, as follows: (this on the second Meeting after the Annual Election in
every year.)

The Board has had submitted to it her Bridget
M^{rs} Grath, a Letter written to her by her Husband
in reply to an application for relief, of the most
disgusting character, and such as could only emanate
from a person of very depraved habits,

Referring to the Poor Law Commission's Letter
of the 4th Feb. 1860, it is Resolved,
that under all the circumstances of the M^{rs}
M^{rs} Hardman's case, the Board sees no objection
to an augmentation of her Salary to £ 50

The Contractor for the stone work is proceeding with the repairs of the Roofs.

I got the entrance gate mended in a temporary manner, it is however almost rotten, and cannot be depended on, I would therefore suggest to the Guardians propriety of replacing it by an Iron Gate, which would

The Reports of the Stewards and other Officers were read and Orders made thereon as follows: - not be constantly liable to damage, and in the end would be cheaper than a wooden one.

Dear

Dear Doctor,

Your constant kindness to this Community, and position in the Workhouse, give me confidence that you will not refuse to present to Colonel Knox the enclosed proposal, which I am sure will meet your approval, and also we are equally sure that Colonel Knox whose benevolence and sympathy for the sick poor we have learned through our intercourse with them, will give to it the weight of his support.

We are well aware of the trouble and responsibility attending such a charge, but we have devoted ourselves to the poor deserve nothing more ardently than to make ourselves useful to them; therefore we make this proposal, which I am sure will meet the approbation and merit the support of the humane, and liberal minded,

To judge of its usefulness, need only refer you to the Hospital in Servio Street and St. Vincent's Dublin, conducted by our Sisters, the Guardians need not apprehend any addition of expenses as the spirit of the Sisters should be that of non-interference and they would only ask for themselves, rooms that would not be included upon,

Remain dear Doctor,
Yours very sincerely
S^r. M^r Gertrude O'Brien,

Comer of Mercy, Ballinacorney
April: 12th,

It may be well to say that our proposal has the approbation of the Archbishop who is the only person we have consulted on the subject,

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively to the following effect, for Orders made on them respectively as follows:—

Letter from Poor Law Commissioners N^o 8262/60, dated 24th April, 1860, forwarding therewith, to be laid before the Board of Guardians a copy of a Letter which they have received from Mr. Robert Bowen, on the subject of a claim which he has preferred for payment of procentage alleged to be due him in respect of his services when acting as a Collector of Poor Rates in the Union; and requesting that they may be furnished by the Clerk with a statement of the Account between the Union and Mr. Bowen or his secretaries in respect of the collection of the Rates in question,

The Board of Guardians in reply to the above letter, beg to state that it declines to give any direction to the Clerk of the Union to furnish the account requested by the Poor Law Commissioners, as the Board does not deem it expedient to open a transaction of this nature standing,

Letter from Poor Law Commissioners N^o 100 m/60, dated 25th April, 1860, stating that the Commissioners have determined to place the Ballinacree Union under the charge of Doctor Brodie Poor Law Inspector,

Resolved that it is with much regret the Board has received the announcement of the removal of Mr. Bourke Poor Law Inspr. from the charge of the Ballinacree Union,

That during his official connection with the Union which extended over a period of near ten years, he cordially co-operated with the Board of Guardians in the administration of the Poor Law,

That a copy of the foregoing Resolutions be forwarded to Mr. Bourke,

The Board having had before it Returns of Rates collected and lodged in the Union up to the 31st Inst. from which it appeared that of the last Rate made, so large a sum as £678.8.6^{1/4} still remains uncollected, It is therefore Resolved, that the Collectors be severally called upon to finish the collection of the Rates in their respective Districts on or before the 31st proximo, (the period limited in their Bonds for the final date of the collection)

Tenders for supply of Coal were opened as follows:—

From Mr. P. Higgins of Ballinacree, at 32/0 per Ton,
" Messrs. John & Co. of Liverpool, 27/0 per Ton

The Board rejected the Tenders considering the prices too high,

Doctor Roughen attended the Board and explained that he did not intend to convey to Colonel Knice that he had any charge of irregularity to prefer against the Hospital Nurse, on the contrary, he was, and is satisfied, with her management of the Hospital — The Board under these circumstances thought it unnecessary to proceed any further into the matter,

Resolved that the Clerk be directed to acknowledge receipt of the Communication from the Sisters of Mercy, of the Convent Ballinacree, dated 12th Inst. in which they propose to undertake the charge and management of the Workhouse Hospital, and state that the Board fully appreciate the kind intentions of the Sisters, but, inasmuch as the Board is perfectly satisfied with the present order of things, it does not deem it expedient to make a change,
