Local Government Board

N<sup>o</sup> 36 579:1911

Dublin 12<sup>th</sup> August 1911.

Ballerinoh Union.

Sir

The Local Government Board for Ireland has had before them the Minutes of Proceedings of the Board of Guardians of Ballerinoh Union on the 26<sup>th</sup> June last; containing an entry of a letter from Patrick Walsh complaining that on the 11<sup>th</sup> June Relieving Officer Hughes owed him 15/- for three weeks

over

outdoor relief, and has not been two weeks relief, but  
 no more. The Americans having called on the Rel-  
 ieving Officer for an explanation as to this charge,  
 Mr. Hughes addressed to them a letter dated 18th June  
 which is entered on the Minutes of that date, in which  
 he states, "I hereby beg to state for your information  
 that I paid Pat. Walsh of Baltimore up to date - there  
 is no payment due to him at present."

It is obvious that this letter from the Relieving  
 Officer contains no attempt to meet the charge preferred  
 against him of irregularly discharging the payment of  
 outdoor relief to Patrick Walsh, and the Local Gov-  
 ernment Board before taking further action in the  
 matter, would be glad to learn whether Mr. Hughes  
 admits the accuracy of the charge in question, or  
 has any relevant explanation to offer with regard  
 thereto.

Yours truly,  
 The Clerk of the  
 Baltimore Union.

 Sir,  
 your obedient servant.

Local Government Board

Dublin 23<sup>rd</sup> September 1920

Sir

Referring to the claim of the Board of Guardians of Ballinacole Union for reimbursement out of the Local Assistance (Ireland) Account in respect of their medical expenditure for the half year ended 31<sup>st</sup> March last. I am directed by the Local Government Board for Ireland to enclose for the Guardians' information, a copy of a letter which they addressed on the 28<sup>th</sup> May last.

to

to the Medical Officer of the Ballinrobe No 2 Disp.  
 enquiry relative to the excessive expenditure on drugs.  
 Sir, obtained for use in the District during the  
 month, and so forth that, although the Board com-  
 municated twice subsequently with the Medical  
 Officer, he failed to furnish any reply. The Board  
 accordingly instructed their Medical Inspector, Sir  
 R. MacSullagh, M.D. to visit the District and  
 report on the matter and the Inspector in his report of  
 the 21<sup>st</sup> inst. writes as follows:-

"I visited this Dispensary today and had a long  
 interview with the Medical Officer. He can give no  
 explanation except that 'all the medicines are used'  
 he did not write to the Board because he 'could give  
 no explanation'. It now states that numbers of people  
 come to the Dispensary without tickets, and that many  
 people come for medicines who are not entitled to it,  
 being fairly well off."

The L. G. Board have decided that the Medical  
 Officer's expenditure of the Ballinrobe No 2 Dispensary  
 District

District for the period under review was returned to  
 the net amount of £1:17:4. and have given instruc-  
 tions accordingly that the amount in question should  
 not be taken into consideration in dealing with the  
 Guardians' claim for recoupment: The Guardians  
 should warn the Medical Officer that any further  
 neglect of his duty will compel the L.C. Board  
 to take serious notice of his conduct.

Dear Sir,

I enclose requisition from the Medical Officer of the Workhouse for two stones - 12 ounces of white paper and 3 sheets of Filtering paper.

In your letter of the 27<sup>th</sup> ultimo, you promised to let me have a summary of amounts (if any) due to you to the 30<sup>th</sup> September, early the following week. This I have not yet received from you, or have you made any arrangements for the removal of your supplies, which are crowding the several Dispensaries and of which the Medical Officers and the Public attending these Dispensaries are complaining. After this notice is given the Guardians refuse any further responsibility.

The Medical Officers also complain of the stores with which you supply the requisitions which are forwarded you, for instance - Ballinadee No 1, Requisition forwarded on the 25<sup>th</sup> July, reached here on the 1<sup>st</sup> October.

Mr. Ashaw of Ballinadee reports that he has not received from you No 188 on the list referred

referred to above.

As you are aware a little more care and attention to these requisitions would save trouble and correspondence.

Dear Sirs

I have yours of yesterday enclosing account for sums alleged to be due to you to 30<sup>th</sup> September. This must be an error, as none of these medicines have been reported by the Medical Officer to have reached them excepting Bellmills No which has been reported to me on the 1<sup>st</sup> instant; consequently on 30<sup>th</sup> ultimo the Guardians owed you nothing.

You charge medicines to Hollymount Dispensary and Workhouse for the 30<sup>th</sup> ultimo. yet see Hanrahan reports on Monday last:—

"None of the medicines have as yet arrived, It is more than inconvenient to have to wait all this time for drugs that are badly required."

The Medical Officer of the Workhouse informs me that he has not yet received his medicines, yet you charge them as due to you on the 30<sup>th</sup> September.

I had to bring before my Board on Monday last and consequently under the notice of the L.G. Board this want of accuracy or promptitude on the part of

your own.

It is strange what heated terms are used  
I had no reason to find fault. yet such terms  
complain that English terms are proposed by  
Public Bodies in Ireland. Certainly your own  
does not intend to hinder here again.

Dear Sir

A few days ago I had a letter from the Local Government Board, enclosing a copy of a letter addressed to them by you, explaining the cause of your delay in the delivery of goods to the Hollymount Dispensary District and Workhouse Hospitals of the Queen's County Union, in which you state that in my letter to you of the 18<sup>th</sup> October last, I added a note at 3.10.0 P.M. "that the Medical Officer now reports having received the goods requisitioned for on the 28<sup>th</sup> ultimo, and that he ordered 12 yards of No 177 and only received 12 yards."

Surely you must be aware that this does not apply to the Medical Officer of the Hollymount Dispensary District, and that the article No 177 could only be requisitioned for by the Medical Officer of the Workhouse Hospitals, who has yet only received the two yards of No 177, and Dr. Macdonald Medical Officer of the Hollymount Dispensary

21<sup>st</sup> November /

Dispenary District informed me, not later than yesterday, that not one of the nine articles mentioned in my letter of the 18<sup>th</sup> October, had yet reached him.

I would be glad if you could see that articles on, to enable me to pay you at next business meeting else my Board will probably order them elsewhere at your expense.

I shall send a copy of this letter to the Local Government Board.

Yours faithfully,

J. Walsh,

The Guardians of the Poor (Landlord's Liability)

Dear Sir

I have yours of this days date enclosing  
from Mr. Faulkner's letter to you, which I herewith  
return you.

As regards the liability of masters for the cost  
of maintenance of their servants, I would refer  
you to 25 & 26 Vic. C. 83 Section 4 Poor Law  
amendment Act 1862, which says - That every  
master or mistress shall be deemed liable to  
maintain his or her domestic servant, so long  
as the service shall continue, and also his  
or her apprentice residing under his or her roof

Mr. King may not be a domestic servant in  
as I understand he was employed by Capt.  
Mr. Faulkner at weekly wages.

When application was first made to Capt.  
Mr. Faulkner he forwarded it for settlement  
to the Yorkshire Assurance Co. with whom Capt.  
Mr. Faulkner it appears has insured his  
employees against accidents

I dare say the Guardians will be satisfied with whatever you do in the  
matter.

"That as this is surface water it is consequently work".

I am sorry I had not your letter with Mr. Farragher's statement to you for yesterday's meeting, as Doctor Harrahan who is an authority on Sanitary matters distinctly states that this is surface water for which there is no outlet in very wet weather and consequently must be County work.

Dear Sir

I have yours of yesterday, enclosing account  
for medicines supplied by you and yet 60 paise  
for and empties which you claim 60 as to you  
by the ~~Contract~~. Long and Hollymount Deepen  
series & procuring me with an extract which  
you call the contract note, but which is strictly  
not in the words of the Bond entered into by you  
I claim the Guardians of this Union have fully  
carried out to the letter the contract entered  
into by them which I cannot say you have  
observed on your part. The Bond entered  
into by you states that the said Contractors  
hereby agree with the said Guardians to  
take back such packages, Lampers, jars, etc.,  
etc., when empty and pay all reasonable  
packing and transit expenses in respect  
of the return of such empties etc. etc

I have communicated with the  
Officers of the Department  
rich

(which was your duty) and have asked them  
 to get their orders to pack the articles and  
 let me know the cost of packing and cartage  
 to the nearest Railway Stations; as soon  
 as I hear from them I will let you know.  
 You had better better arrange with the  
 Station masters here for the rail carriage  
 as no employees will not be received unless  
 carriage paid.

Copy of Report referred to:-

Dear Mr. Walsh

I inquired into the two cases  
complaind of by the Inspector of Factories.

In the case of Mr. Donnellon's bakehouse  
every thing seems to my mind to be satisfactory

and healthy condition, the roof of the house  
at present consists of some rafters which  
Mr. Donnellon is about to have sheathed  
over and lime washed if necessary, it is  
rather strange the Inspector has never asked  
to see Mr. Donnellon although he has been  
there on several occasions.

The workshop owned by Mrs. Murphy is  
also complained of but I don't see any  
great reason for complaint as it can be  
easily ventilated if necessary and on the  
other hand Mrs. Murphy informed me he  
has the shop heated in cold weather.

Sincerely Yours

M. J. Hawthorn

Dear Sir,

As this concerns your District, I write to inform you that I had a letter from the Solicitor to the G. Council, stating that an appeal in this case would be heard at the Assizes on the 13<sup>th</sup> instant. I would be glad if you would put yourself in communication with Mr. Kelly and give him all the information you are possessed of to enable him brief Council on the case, the expense of which he has asked the District Council here to undertake to defray, which of course if Hastkin is successful will be added to his (Hastkin's) claim, and incurred probably of the District you represent.
