Extract from “NOTE TO BISHOPS AND EPISCOPAL CONFERENCES ON THE CELEBRATION OF HOLY WEEK 2021”

The use of social media has greatly aided pastors in offering support and closeness to their communities during the pandemic. Alongside these positive results problematic aspects were also observed. For the celebration of Holy Week it is suggested that media coverage of the celebrations presided over by the Bishop be facilitated and favoured, encouraging the faithful who are unable to attend their own church to follow the diocesan celebrations as a sign of unity. **Tuam Cathedral Link below.**
